To Whom It May Concern:

I would like to register my opposition to the PFJ as I firmly believe that it will do nothing to promote competition. Indeed I believe that the PFJ will serve to restrict innovation and competition. The PFJ will end up costing consumers money and choices.

The PFJ amounts to a mere slap on the wrist. Microsoft should be severely fined and restricted for what they have done, or they will not stop in the future.

Thank you for your consideration.
